03

Electrical insulation

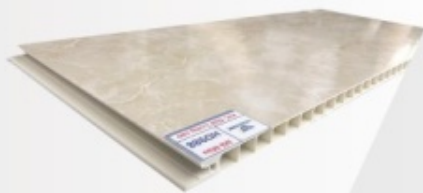

04

Mechanical properties

05

Chemical resistance

// ASPHALT

Since 2004, VILACONIC has been involved in the production and distribution of asphalt. Being one of the top companies in Vietnam, we take great pride in being a dependable supplier of high-grade asphalt products, high-quality import straight from Iran.

Our dedication lies in offering dependable asphalt materials, expert services, and ideal solutions to fulfill any requirement in the building and infrastructure sector.

// BUSINESS IN IMPORT OF EATING OIL

Armaz sunflower oil is a brand imported by Vilaconic Joint Stock Company originating from "Armaz" Limited Liability Company, (Russia, 630015, Novosibirsk city, Koroleva street, 40) very good vegetable oil for an indispensable part of every family's kitchen.

Sunflower oil is extracted by cold pressing from the seeds of sunflowers. This type of oil originated from Russia in 1835, the oil is brighter in color than other vegetable oils and has a light aroma.

NUTRITIONAL VALUE

Like other vegetable oils, sunflower oil contains a lot of nutritional value that is good for health.

- Does not contain cholesterol, good for heart.

100g

Sunflower oil

884
kcal

100g
lipit

- Sunflower oil is rich in vitamin E and low in saturated fat, so it is very good for the heart.

Besides, using sunflower oil also helps:

- Prevent rheumatism and asthma
- Reduce cholesterol levels in the blood
- Maintain a healthy immune system.

- The Vitamin B content of sunflower oil promotes a healthy nervous system, helps with good digestion and is a great source of energy to help you stay active every day.

- Sunflower oil is one of the vegetable oils with the highest nutritional value. The amount of unsaturated fatty acids accounts for nearly 90% (such as palmitic acid, lecithin, carotenoids, tocopherols...) especially linoleic acid, which will create a hormone-like compound that helps relax blood vessels, making Lower blood pressure, helps reduce cholesterol
